Street Art Public City Law

'One of the most notable achievements of Street Art, Public City is the lucidity that comes from having been written by someone with a background in law. As easily narrative and descriptive as the book sometimes becomes (and there are a lot of street art stories in it), it never loses a sharpness of argument and a powerful sense of direction.'

Street Art, Public City: Law, Crime and the Urban ...

Such paradoxical responses show that street art challenges conventional understandings of culture, law, crime and art. Street Art, Public City: Law, Crime and the Urban Imagination engages with those paradoxes in order to understand how street art reveals new modes of citizenship in the contemporary city. It examines the histories of street art and the motivations of street artists, and the experiences both of making street art and looking at street art in public space.
