PORSCHE 996 911 BUYER'S GUIDE | Classics World

To understand the direction Porsche's thinking was taking in the development of the 996 series 911, one must track right back to 1978, to the development of the 928 model. Designed as a replacement for the 911 model, the 928 never caught the public imagination, even in its final GT versions. The 911 meanwhile, underwent significant development, Porsche finally realising that killing it off ...
