Australia - Australia - Government and society: Australia's constitution, which can be considered crudely as an amalgam of the constitutional forms of the United Kingdom and the United States, was adopted in 1900 and entered into force in 1901. It established a constitutional monarchy, with the British monarch, represented locally by a governor-general, the reigning sovereign of Australia.

Australia - Government and society | Britannica

Prior to the war, Australian society had been largely influenced by conservative British culture, mirroring its entertainment, music, and sports as well as its social attitudes. By the end of the war a significant change was underway, however, and from the 1950s onward Australian lifestyles felt the dramatic impact of the new more rebellious culture of the United States, which had emerged from the war in a powerful economic position.
