Why Our Children Will Be

The question as to why
our children will all be
atheists is answered in
a simplistic and naive
way: in the futur,

everyone will have the necessary education. It is not so simple. The cultural baggage and societal aspects are completely overlooked. The spiritual needs of people is also completely overlooked.

Why Our Children Will Be Atheists: The Last 100 Years of Religion, and the Dawn of a World without Gods by Albert Williams is by far the most logical and well-researched rationale to adopt healthy skepticism I have yet to read, and I have read a good deal on the topic. Williams takes an unbiased look at the early days of animism and nature-god worship, and traces these

superstitions forward to the development of each of today's great religions.
