The FIRST EVER Orthodox Study Bible presents the Bible of the early church and the church of the early Bible. Orthodox Christianity is the face of ancient Christianity to the modern world and embraces the second largest body of Christians in the world. In this first-of-its-kind study Bible, the Bible is presented with commentary from the ancient Christian perspective that speaks to those Christians who seek a deeper experience of the roots of their faith. Features Include: Old Testament newly translated from the Greek text of the Septuagint, including the Deuterocanon New Testament from the New King James Version Commentary drawn from the early Church Christians Easy-to-Locate liturgical readings Book Introductions and Outlines Subject Index

Full-color Maps

The Orthodox Study Bible

New Testament and Psalms, New King James Version *Thomas Nelson Incorporated*

This is the only resource Bible written with study aids and articles written from an Orthodox Christian perspective- the New Testament and Psalms are interpreted from the doctrinal foundation of the Orthodox Church. For the guidance of respected scholars of the Orthodox faith working within a tradition of biblical interpretation which goes back to the apostles themselves.

New King James Orthodox Study NT/PS *Thomas Nelson Publishers*

The Bible and the Holy Fathers for Orthodox

Daily Scripture Readings and Commentary for Orthodox Christians *St Vladimir's Seminary Press*

Cycle of daily Gospel and Epistle readings based on the movable calendar, which starts with Easter (Pascha), includes the fifty days after the Resurrection, Pentecost and the 37 weeks that followed, the Week of the Publican and the Pharisee, followed by the Triodion, which begins 10 weeks before Easter, and includes the Preparation for Lent, Graet Lent and Holy Week. This work is particularly addressed to those who set aside an hour daily for prayer and meditation. Appendices are added for Sunday

matins, major fixed feasts such as Nativity, Theophany and other Feast days of Martyrsm saints. But since this volume is not arranged according to the fixed calendar which lists all the saints and fixed feasts for each day of the month, a suitable companion would be a Menaion, which provides a fuller treatment of the major feast days, and the flow of church seasons.

The Classic Orthodox Bible *CreateSpace*

The Classic Orthodox Bible is a complete Bible that includes Sir Lancelot Brenton's translation of the Septuagint (also known as the LXX), the Greek Old Testament as it was known to Christ and many of the earliest Church Fathers. Missing verses and the New Testament are taken from

the King James Version, whose style and quality are imitated by Sir Lancelot Brenton. His translation is available in tiny, hard-to-read letters in the margins of Hendrickson's Septuagint, more of a convenience to scholars reading the Greek than devotional use. Readers wishing for a complete English translation of the Septuagint in a regular Bible, and who appreciate the beauty, grandeur, and meticulous word-for-word accuracy of the King James Version will find the Classic Orthodox Bible a delight. If you only buy ONE version of the Bible to help you understand Holy Orthodoxy, without a doubt, buy the Orthodox Study Bible... But if you buy two, as there is good reason to do, you might consider the Classic Orthodox Bible. This version includes candid, clear and uncensored

versions of passages that are deliberately mistranslated in most modern Bible versions (but not ancient translations the author has read).

Children's Bible Reader *Greek Bible Society and American Bible Society*

The Christian Bible rendered in child-friendly language and presentation.

Classic Orthodox Bible

Here is a nice, large, easy-to-read hardcover edition of the acclaimed Classic Orthodox Bible. The English of the praying Orthodox Church, the English of the prayers and Liturgies, the English of the common Orthodox Christians and the hymn of Scripture itself, is the English of Thee's and Thou's, not the street, the TV news, or the blog.

And even if they can't put a finger on it, there is something more that is beautiful about the older classic language. As one literature professor said, "The problem with the King James Version is the translators' shaky grasp of Hebrew. The problem with all modern versions is the translators' increasingly shaky grasp of English." And there's more to it than that. The Classic Orthodox Bible has, as its foundation, Sir Lancelot Brenton's translation of the Greek Old Testament, the Septuagint. All other known translations that revised Sir Lancelot have revised his language to be newer and more modern; though this is not an important distinction, this text revised Sir Lancelot to be very slightly more archaic and read more authentically like the King James Version. There have been

multiple changes made, though not all that many for a new Bible version. In any case the attempt was made to cut with the grain rather than against it, and to preserve and enhance a rendering that is the English of the praying Orthodox Church. A number of metaphors present themselves to the simple Christian trying to choose rightly from all the Bible versions available: there are murky waters, or a dizzying array, or a labyrinth. Whatever name is given to this confusing task, the Classic Orthodox Bible comes with a roadmap that comments not just itself, the Classic Orthodox Bible (COB), but also the Eastern / Greek Orthodox Bible (EOB), English Standard Version (ESV), King James Version (KJV, also called the Authorized Version or AV), the Message,

New English Translation of the Septuagint (NETS), New International Version (NIV), New Jerusalem Bible (NJB), New King James Version (NKJV), New Living Translation (NLT), Orthodox Study Bible (OSB), and Revised Standard Version (RSV). But the advice is simple. If you only read version, read the Orthodox Study Bible, from <http://tinyurl.com/orthodox-study-bible>. But if you read more, as there is good reason, read the Classic Orthodox Bible.

The Old Testament in Eastern Orthodox Tradition *Oxford University Press*

This book examines the receipt, transmission, and interpretation of the Old Testament in the Eastern Orthodox tradition. Looking at the various ways

Orthodox Christians sought to assimilate the Old Testament in the spiritual, liturgical, and doctrinal fabric of their faith community, Pentecost pays special attention to: liturgy, iconography, monastic rules and canons, conciliar resolutions, and patristic works in Greek, Syriac and Coptic.

The Orthodox Study Bible, Leathersoft, Brown

Ancient Christianity Speaks to Today's World

EOB: the Eastern Greek Orthodox New Testament

**Based on the Patriarchal Text of
1904 with Extensive Variants**
Createspace Independent Publishing

Platform

The EOB New Testament is a new translation of the official Greek Orthodox text called the Patriarchal Text of 1904. It is a scholarly, fully Orthodox, and easy to read version that aims at being the text of reference for personal study, devotions, and even liturgical use within among English-speaking Orthodox Christians. This translation features: - extensive footnotes to variants from other manuscripts and alternative translations - information introductions to the books - over 80 pages of appendices that explore keys texts and theological concepts important to Orthodox readers - many illustrations and tables Unlike the OSB (Orthodox Study Bible New Testament) which is actually the New King James version, the

EOB is a fresh and accessible translation created within the Orthodox community. The EOB team of contributors consisted of about 20 individuals, mostly based in the United States.

A New English Translation of the Septuagint *Oxford University Press*

The Septuagint (the ancient Greek translation of Jewish sacred writings) is of great importance in the history of both Judaism and Christianity. The first translation of the books of the Hebrew Bible (plus additions) into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism. Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian

communities: the scripture they cited and the textual foundation of the early Christian movement. Translated from Hebrew (and Aramaic) originals in the two centuries before Jesus, the Septuagint provides important information about the history of the text of the Bible. For centuries, scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood. For students of the Bible, the New Testament in particular, the study of the Septuagint's influence is a vital part of the history of interpretation. But until now, the Septuagint has not been available to English readers in a modern and accurate translation. The New English Translation of the Septuagint fills this gap.

The Orthodox Church

An Introduction to Eastern Christianity *Penguin UK*

Since its first publication thirty years ago, Timothy Ware's book has become established throughout the English-speaking world as the standard introduction to the Orthodox Church. Orthodoxy continues to be a subject of enormous interest among Western Christians, and the author believes that an understanding of its standpoint is necessary before the Roman Catholic and Protestant churches can be reunited. He explains the Orthodox views on such widely ranging matters as ecumenical councils, sacraments, free will, purgatory, the papacy and the relation between the different Orthodox churches.

The Cambridge Companion to Orthodox Christian Theology *Cambridge University Press*

Orthodox Christian theology is often presented as the direct inheritor of the doctrine and tradition of the early Church. But continuity with the past is only part of the truth; it would be false to conclude that the eastern section of the Christian Church is in any way static. Orthodoxy, building on its patristic foundations, has blossomed in the modern period. This volume focuses on the way Orthodox theological tradition is understood and lived today. It explores the Orthodox understanding of what theology is: an expression of the Church's life of prayer, both corporate and personal, from which it can never be separated. Besides discussing aspects of

doctrine, the book portrays the main figures, themes and developments that have shaped Orthodox thought. There is particular focus on the Russian and Greek traditions, as well as the dynamic but less well-known Antiochian tradition and the Orthodox presence in the West.

Thinking Orthodox

Understanding and Acquiring the Orthodox Christian Mind *Ancient Faith Publishing*

What does it mean to "think Orthodox"?
What are the unspoken and unexplored

premises and presumptions underlying what Christians believe? Orthodox Christianity is based on preserving the mind of the early Church, its phronema. Dr. Jeannie Constantinou brings her more than forty years' experience as a professor, Bible teacher, and speaker to bear in explaining what the Orthodox phronema is, how it can be acquired, and how that phronema is expressed in true Orthodox theology-as practiced by those who are properly qualified by both training and a deep relationship with Christ.

THE ORTHODOX STUDY BIBLE

The Orthodox Way *St Vladimir's Seminary Press*
First published in 1979.

The Gospel of Matthew

Torah for the Church

The New Testament is a Jewish book and no part of it is more Jewish than the Gospel of Matthew-the story of how God fulfilled His word to Israel and sent them His Messiah, who in turn carried out the work of redemption. The Gospel of Matthew was written to prove to the Jews that Jesus of Nazareth is indeed the Christ, the fulfillment of their Scriptures. It contains the most thorough and organized presentation of Christ's teaching anywhere in Scripture. Thus the Gospel of Matthew is like the Christian Torah, the record of God's words and deeds through Christ. Matthew's Gospel also stresses the Church, since it is the true Israel, the holy remnant, whose

message is to be taken to Jews (and Gentiles) everywhere. Other books in the Orthodox Bible Study Companion Series: *Shepherding the Flock: The Pastoral Epistles of St. Paul the Apostle to Timothy and to Titus*: 978-1888212563 *Universal Truth: The Catholic Epistles of James, Peter, Jude, and John*: 978-1888212600 *The Gospel of Mark: The Suffering Servant* : 978-1888212549

The Trial of Job

Orthodox Christian Reflections on the Book of Job

"The book of Job always constituted essential and formative reading about the ways of the soul. This has always been the conviction of the spiritual classics through the centuries. Yet, for

some reason, the figure of Job is elusive to us-possibly because by seems so comfortably distant; or perhaps because he seems so frightfully close. What Fr. Patrick Reardon achieves with this book is to render Job comprehensible, tangible and accessible. Ultimately, all of us identify with one or another aspect of Job's life. As life inevitably informs and as this book intuitively confirms, one cannot sing Psalms without having read Job." - Fr. John Chryssavgis

Becoming Orthodox

A Journey to the Ancient Christian Faith *Wolgemuth & Hyatt Pub*

This is the story of a handful of courageous men and their congregations who risked stable occupations, security

and the approval of life-long friends to be obedient to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the sovereignty of God are preached. Where fellowship is more than a covered-dish supper in the church basement. And where fads and fashions take a backseat to apostolic worship and doctrine.

Latin Commentaries on Revelation
InterVarsity Press

In this volume of the Ancient Christian Texts series, William Weinrich renders a particular service to readers interested in ancient commentary on the Apocalypse by drawing together significant Latin commentaries from

Victorinus of Petovium, Caesarius of Arles, Apringius of Beja and Bede the Venerable.

Creation and the Patriarchal Histories

Orthodox Christian Reflections on the Book of Genesis

Subtitle: Orthodox Christian Reflections on the Book of Genesis The Book of Genesis is foundational reading for the Christian, concerned as it is with the origins of our race and the beginnings of salvation history. Its opening pages provide the theological suppositions of the entire biblical story: Creation, especially that of man in God's image, the structure of time, man's relationship to God, the entrance of sin into the

world, and God's selection of a specific line of revelation that will give structure to history. Early Christian writers such as St. Paul saw no dichotomy between the writings of the Law, of which Genesis is the beginning, and the Gospel. Rather, the Gospel is the key to understanding the Law. In "Creation and the Patriarchal Histories," Fr. Reardon shows clearly how the proper understanding of Creation and the Fall informs all of Christian doctrine, and how the narratives of the patriarchs from Noah to Joseph pave the way for the salvation history that continues in Exodus.

Orthodoxy

CSB Ancient Faith Study Bible *B&H Publishing Group*

Christianity's roots run deep with

examples of strong faith from spiritual giants extending throughout history. One of the greatest needs today is for Christians to be lifted up from our current cultural moment and be refreshed by the insights and wisdom of ancient believers. Today's church can be renewed by listening to yesterday's saints. This CSB Study Bible for men and women features study notes and commentary from the writings of the church fathers of the second through fifth centuries to help you understand and apply their rich, biblical insights to your life, for preparation to teach or for Bible studies. Also included in the CSB Ancient Faith Study Bible are "Twisted Truth" call-outs describing where some ancient thinkers drifted from orthodoxy, over 25 feature articles highlighting a

key selection from one of the early church fathers on an essential Christian truth, and biographies of 25 of the most influential patristic church fathers. The study Bible's commentary and writings are from: Irenaeus of Lyons, Origen, Justin Martyr, Tertullian, Clement of Alexandria, Ambrose of Milan, Augustine of Hippo, Athanasius of Alexandria, John Chrysostom, Jerome, the Cappadocian Fathers, and more. Features of this CSB Bible include: Study notes from the early church, exclusive feature articles, profiles of patristic fathers, "Twisted Truth" call-outs, author index to easily find commentary from individual church fathers, presentation page, book introductions, two-column text, 10.25-point type size, 8-point study notes, black-letter text, Smyth-sewn binding,

Bible ribbon markers, full-color maps, and more. CSB Bibles by Holman feature the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

The Orthodox Study Bible

New Testament and Psalms

The Gospel of John

Beholding the Glory

The Gospel of John vigorously witnesses to Jesus, striving to persuade the hearts and minds of the undecided that Jesus is

the Christ, the Son of God, and the only source of eternal life. St. John, as one of the Twelve and a witness to Christ's glory, sets his Gospel in a cosmic context, revealing Christ as the eternal Light of God, the Truth and voice of the Father, the divine Glory shining in the midst of men. About the Orthodox Bible Study Companion: This commentary was written for your grandmother. And for your plumber, your banker, and the girl who serves you French Fries at the nearby McDonald's. That is, it was written for the average layperson, for the nonprofessional who feels a bit intimidated by the presence of copious footnotes, long bibliographies, and all those other things which so enrich the lives of academics. It is written for the pious Orthodox layman who is mystified

by such things as Source Criticism, but who nonetheless wants to know what the Scriptures mean.

The Acts of the Apostles

Spreading the Word

Fr. Lawrence Farley explores the Acts of the Apostles as St. Luke's sequel to his Gospel--an apology for the Christian Faith as the fulfillment of Judaism, a gospel for all peoples, and a faith that poses no threat to Roman government or society. It's also the greatest adventure story of all time. About the Orthodox Bible Study Companion Series: This commentary was written for your grandmother and for your plumber. That is, it was written for the average layperson, for the nonprofessional who

feels a bit intimidated by the presence of copious footnotes, long bibliographies, and all those other things which so enrich the lives of academics. Working from a literal translation of the original Greek, this commentary examines the text section by section, explaining its meaning in everyday language. Written from an Orthodox and patristic perspective, it maintains a balance between the devotional and the exegetical, feeding both the heart and the mind.

Prayer Book *Holy Trinity Monastery*

A consistent best seller since the first edition was published in 1979, selling thousands of copies each year. This is perhaps the most popular Orthodox prayer book published in the English

language, frequently referred to as "The Jordanville Prayer Book." Contains morning and evening prayers and much more besides. Traditional English is used throughout. Beautifully bound in maroon color with a gold embossed cover.

Orthodox Study Bible Old Testament Project

The Psalms in the New Testament *A&C Black*

This book offers a comprehensive summary of the use of the Psalms at Qumran and in the New Testament. For the first time this collection offers a set of studies which will offer an overview of the role and function of the Psalms in the

first century. Each chapter considers matters of textual form, points of particular interest, and hermeneutics. Together, this collection forms an important research tool for Septuagintal and manuscript studies, first-century hermeneutics and the development of Christian apologetics and theology. The contributors have all either written or are writing monographs on their particular section of the New Testament/ Qumran. In a number of cases, the particular chapter will be the first of its kind (such as Steve Moyise's discussion of Psalms in Revelation).

The Original Aramaic New Testament in Plain English with Psalms & Proverbs (8th edition without notes) *Lulu.com*

This is a translation (8th edition-2013) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in a literal English prose translation of The Peshitta New Testament. A translation of the Psalms & Proverbs from the ancient Peshitta OT Version is included at the end. This translation is derived from the author's Aramaic-English Interlinear New Testament and The Psalms & Proverbs

interlinear. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 389 pages paperback without notes
