Gallows Thief - Wikipedia

Bernard Cornwell is one of my favourite authors. His books are always well-researched. I must confess that having read the Grail Quest books some years ago, I had got it in my head that this title was one in that series. As a result of this stupidity, I always passed over this title which is a shame as it turned out to be a gem.

Gallows Thief (Extract) Sir Henry Forrest, banker and alderman of the City of London, almost gagged when he entered the Press Yard for the smell was terrible, worse than the reek of the sewer outflows where the Fleet Ditch oozed into the Thames. I have never read anything by Bernard Cornwell that I didn't enjoy immensely. While he is best known for series (The excellent Sharpe books, the even better Saxon Tales and the equally excellent Archer's Quest trilogy) so far at least Gallows Thief stands alone. I wouldn't be shocked if he eventually added to Captain Sandman's adventures.
