Plan Of The New Constitution Of The French Republic - See ...

The New Jersey Plan was a proposal for the structure of the United States Government presented by William Paterson at the Constitutional Convention on June 15, 1787. The plan was created in response to the Virginia Plan, which called for two houses of Congress, both elected with apportionment according to population. The less populous states were adamantly opposed to giving most of the control of the national government to the more populous states, and so proposed an alternative plan that would

New Jersey Plan - Wikipedia

The Constitution of the State of New

York establishes the structure of the government of the State of New York, and enumerates the basic rights of the citizens of New York. Like most state constitutions in the United States, New York's constitution's provisions tend to be more detailed, and amended more often than its federal counterpart. Because the history of the state constitution differs ...
