Trouble is what I Do *Wildside Press LLC*

"Ben Perkins is back! It feels so good to say that. Twenty-three years ago, when Rob Kantner introduced his Detroit PI in the short story "C Is for Cookie," he probably had no idea he was heralding in a new era of mystery fiction. Before Rob, the private eye genre was glutted with down-in-their-luck losers who wore trench coats and talked like Bogart. Stereotypes ruled the paperback racks, and a revamp was sorely needed. Rob's genius

was to give his hero something more than cliched one-liners and a drinking problem. Namely, a life." J. A. Sherlock meets Veronica Mars meets Ferris Bueller's Day Off in this story of a wisecracking girl who

meets a weird but brilliant boy and their roller-coaster of a semester that's one part awkward, three parts thrilling, and five parts awesome. When Philip Digby first shows up on her doorstep, Zoe Webster is not impressed. He's rude and he treats her like a book he's already read and knows the ending to. But before she knows it, Digby—annoying, brilliant and somehow...attractive? Digby—has dragged her into a series of hilarious and dangerous situations all related to an investigation into the kidnapping of a local teenage girl. A kidnapping that may be connected to the tragic disappearance of his own sister eight years ago. When it

comes to Digby, Zoe just can't say no. Digby gets her, even though she barely gets herself. But is Digby a hero, or is his manic quest an indication of a desperate attempt to repair his broken family and exercise his own obsessive compulsive tendencies? A romance where the leading man is decidedly unromantic, a crime novel where catching the crook isn't the only hook, a friendship story where they aren't even sure they like each other—this is a contemporary debut with razor-sharp dialogue, ridiculously funny action, and the most charismatic dynamic duo you've ever met.

Long Bright River

A Novel *Penguin*

ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates Long Bright River from entertaining page-turner to a book that makes you want

to call someone you love." – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying." – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. Long Bright River is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* Two sisters travel the same streets, though their lives couldn't be more different. Then

one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, Long

Bright River is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

Much of the story is told from the point of view of Bayliss, a cynical fallen angel who has modeled himself on Philip Marlowe. The yarn he spins follows the progression of a Marlowe novel—the mysterious dame who needs his help, getting grilled by the bulls, finding a stiff, getting slipped a mickey. Raymond Chandler's Philip Marlowe
ipicturebooks

Authorized by the estate of the late Raymond Chandler, this volume reveals the missing life history and detective adventures of Philip Marlowe, one of the 20th century's most enduring and

beloved characters. Marlowe is the quintessential American detective: cynical yet idealistic; romantic yet full of despair; a gentleman capable of rough violence. The final story in the volume is Raymond Chandler's last Marlowe adventure: The Pencil. The stories run chronologically through the career of Marlowe, from 1935 through 1960. These are classic Marlowe tales of betrayal, mistrust, and double-dealing on the seamy side of Los Angeles.

How the B Corp Movement Is Remaking Capitalism

Yale University Press

A compelling look at the B Corp movement and why socially and environmentally responsible companies are vital for everyone's future. Businesses have a big role to play in a capitalist society. They can tip the scales toward the benefit of the few, with toxic side effects for all, or they can guide us toward better, more equitable long-term solutions. Christopher Marquis tells the story of the rise of a new corporate form—the B Corporation. Founded by a group of friends who met at Stanford, these companies undergo a rigorous

certification process, overseen by the B Lab, and commit to putting social benefits, the rights of workers, community impact, and environmental stewardship on equal footing with financial shareholders. Informed by over a decade of research and animated by interviews with the movement's founders and leading figures, Marquis's book explores the rapid growth of companies choosing to certify as B Corps, both in the United States and internationally, and explains why the future of B Corporations is vital for us all.
