Romances, family life, work concerns, health issues, friendships, etc. These additional plot lines are subplots that give your story depth and help keep it moving. And as with your main plot, all subplots should follow a narrative arc of conflict, crisis, and resolution, usually wrapped up before the main plot's climax.

How to Use Subplots to Bring Your Whole Story Together

A subplot is a story strand that supports and runs alongside the main plot. A subplot is like a mini-story within your main story with a beginning, middle, and end. The subplot story augments

the main story through connections like mirroring the main plot but without the drastic consequences or contrasting the main story by showing success where the main storyline throws up obstacles.
