A work from home technical support job is when you offer help with the software or hardware of products. You could be providing tech support to businesses, or you could be assisting consumers with a product. You will ask questions to determine

issues, and use your knowledge to walk through how to resolve the problem.

11 Genuine Work From Home Jobs - Skint Dad

A work from home job in sales can be the perfect job, but only for

the right kind of person. There are two options here: either get hired by a company to sell for a set amount per hour, which is a steady guarantee of income, or get hired as a commission-only salesperson, which has the potential to make it big... as long as you're using the right CRM , that is.
