CPTeach: Can PTs Bill for Patient Education? Patient education is the cornerstone of physical therapy care. Whether they’re demonstrating exercises or providing information patients can use to improve their own health, PTs are just as much educators as they are caregivers. However, billing for education time isn’t exactly a clear-cut process.

CPTeach: Can PTs Bill for Patient Education? | WebPT

The average cost of physical therapy can range from \$20 to \$350 per session with most paying \$30 with insurance, and \$125 per session without insurance. Physical therapy fees include the initial assessment, use of any special equipment, and depends on the type of injury and treatment received. Also, the number of sessions prescribed will determine your total costs.
