Rules for a Knight

The Last Letter of Sir Thomas Lemuel Hawke *Knopf*

"It is 1483, and Sir Thomas Lemuel Hawke, a Cornish knight, is about to ride into battle. On the eve of his departure, he composes a letter to his four young children, consisting of twenty virtues that provide instruction on how to live a noble life, and on all the lessons, large and small, that he might have imparted to them himself were he not expecting to die on the battlefield. "Why am I alive? Where was I before I was born? What will happen to me when I die? Whatever well our lives are drawn from, it is deep, wild, mysterious, and unknowable..."Rules for a Knight is many things: a code of ethics; an intimate record of a lifelong quest; a careful recounting of a knight's hardest won

lessons, deepest aspirations, and most richly instructive failures; and an artifact, a relic of a father's exquisite love. Drawing on the ancient teachings of Eastern and Western philosophy and religion, on literature, and poetry, and on the great spiritual and political writings of our time, Ethan Hawke has written a parable that--in the story of a young man's journey toward a life of authenticity and meaning--captures the instinctive movement of the heart toward truth and beauty. Rules for a Knight has the appeal of Arthurian legend; the economy of Aesop; and the vitality, intelligence, and risk-taking that could only emanate from Ethan Hawke"--

Beauty vs. Beast...Contestant One: Avenant is a handsome prince with a dark side. There's a beast inside of him, always waiting to get out. All his life, he's been labeled a monster and he's done his best to live up to his Bad reputation. His parents hated him, his

fairytale kingdom fears him, and now he's been dragged into court. Again. His newest legal troubles are all because Belle Ashman stole his throne. The beautiful bookshop owner is the one woman Avenant longs for. The two of them have been in competition since childhood and the contest just became winner-take-all. Contestant Two: Tired of Avenant ruining her dates, firing Mother Goose, and tearing down Humpty Dumpty's wall, Rosabella Aria Ashman decided to depose the tyrant. Eight months ago, Belle led a rebellion and had Avenant thrown in prison. Now, the Beast has returned, demanding his kingdom back. Avenant might be gorgeous, but he's also arrogant, selfish and he's been mean to her since kindergarten. This time, Belle's

determined to vanquish him, once and for all. The Ultimate Showdown: In the farthest corner of the Northlands, there is an impenetrable labyrinth. Made of ice and stone, no one has ever entered it and emerged alive. Now, Belle, Avenant, and other storybook contenders for the crown are heading into the maze. Whoever solves its riddles gets the kingdom. In order to win, Belle and Avenant are going to have to work together. Considering their lifelong feud, that would be challenging enough, but they're also dealing with an angry minotaur, an unknown killer, miles of twisting corridors... and the fact that these two mortal enemies might just make a perfect team.
