Without Conscience The Disturbing World

Robert D. Hare's "Without Conscience" is a chilling book. In his practice and research, he has developed the Psychopathy Checklist-- a tool that is reliable and valid with proper usage. Without Conscience argues that both genetics and environment play a role in the expression of psychopathy, but psychopaths are not created by poor parenting alone.

Without conscience was fascinating but deeply disturbing at the same time. I always knew that psychopaths were not necessarily serial killers but 'ordinary' people you could meet anytime without realising it. Without conscience included case studies from former patients which were truly terrifying.

Without Conscience Quotes by Robert D. Hare

Hare wrote a popular science bestseller published in 1993 titled Without Conscience: The Disturbing World of the Psychopaths Among Us (reissued 1999). He describes psychopaths as 'social predators', while pointing out that most don't commit murder. One philosophical review described it as having a high moral tone yet tending towards sensationalism and graphic anecdotes, and as providing a useful summary of the assessment of psychopathy but ultimately avoiding the difficult questions ...
