Dare to Repair

A Do-it-Herself Guide to Fixing (Almost) Anything in the Home *Harper Collins*

This is NOT your father's home repair book! And it's not your husband's, your brother's, your boyfriend's, or the guy's next door. Dare to Repair is a do-it-yourself book for every woman who would rather be self-reliant than rely on a super or contractor. No matter the depth of your pockets or the size of your home, a toilet will get clogged, a circuit breaker will trip, and a smoke detector will stop working. It's up to you how you'll deal with them -- live in denial, pay the piper, or get real and do it yourself. Dare to Repair demystifies these home repairs by providing information that other books leave out. In Dare to Repair, you'll learn how to: Take the plunge -- from fixing a leaky faucet to cleaning the gutters. Lighten up -- from removing a broken light bulb to installing a dimmer switch. Keep your cool -- from maintaining a refrigerator's gasket to changing the rotation of a ceiling fan. Get a handle on it -- from replacing a doorknob to repairing a broken window. Play it safe -- from planning a fire escape route to installing a smoke detector. Filled with detailed illustrations, Dare to Repair provides even the most repair-challenged woman with the ability to successfully fix things around the home. Once you start, you won't want to stop.

Instant Genius

How to Think Like a Genius to Be One Instantly! *Instant Series Publication*

The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals... They are always somewhat ahead of their time, and their contributions to the

world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius":

- * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime.
- * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new ways of thinking.
- * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas.
- * How to develop genius reflexes to handle any complex problem and come up with ingenious solution to have people look up to you, always wanting to hear what you have to say.
- * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want.
- * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more.

All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself.

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Pressure Point Therapy

"Pressure Point Therapy for Pets" is technique that anyone can learn and apply to their own cats and dogs. Like humans, pets can suffer from many conditions because of painful Pressure Points, which interfere with nerve flow in their furry bodies. Part 1 of this book discusses:* What a Pressure Point is * Where Pressure Points located on your dog or cat * How to find a Pressure Point* Treatment procedures* Precautions and safety when applying this technique* Success stories* Nutrition for your cat and dogPart 2 of the book contains the Pressure Point Therapy Charts. This section has over 96 drawings of both dogs and cats, with several breeds of each. Dr. Pinkus explains in very simple step-by-step instructions, where to start, what to do and other advice on how to be successful with this technique. Conditions included in the Pressure Point Charts:* General Pressure Points for Vitality, Energy and Longevity* Insomnia (if your pet doesn't sleep, neither do you!)* Overweight Pets* Coat & Skin Conditions* Immunity* Low Energy or Lethargy* Digestive Problems* Urinary Problems* Ear Infections* Back & Tail Problems* Arthritis, Knee, Leg & Hip Dysplasia* Nervous Pets* And Much More!"We love our pets. With this book you will become the Master of their health!" --Dr. Michael Pinkus

So You've Written A Book. Now What?

Things You Need to Know As You Begin Writing Your Book *CreateSpace*

The title says it all. If you are in the process of writing a book, or if you're considering it, there are dozens of things you won't know - and that you should. What I want to do here is share about my experience over about fifteen years of writing my first novels, and the years of publishing and marketing them, so you might get a jump on what's in store. Here are some chapter headings to give you an idea of what's in the book. * Self-Editing * Why Would Your Book Get Noticed? * Publishing * Marketing and Selling * About Your Website * Read It Like An Agent/Publisher Maybe you've been doing this for a while now and know a lot about these items. I didn't - and got caught trying to find answers and find my way through the maze after I started. I'm not the expert, but maybe what I have to share with you will save you a lot of the grief I had. If you've written a book, or are thinking about it, you owe it to yourself to get lots of information before you really get started. "So You've Written A Book, Now What?" could prove to be just the help you need.
