Daily Reflections

This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

"Using her interviews as groundwork, she explores the benefits that result from surviving in a dysfunctional family, including resiliency, perseverance, a sense of humor, forgiveness, kindness, and the ability to discern real love." —Publishers Weekly "You just can't go wrong with Karen Casey." —Earnie Larson, author of *Stage II Recovery*

In God's Care *Simon and Schuster*

True, lasting recovery requires us to create and maintain inner peace. For many, it springs from a practice of mindfulness, for others from the rituals of religion. But not everyone finds a connection with a Higher Power in those ways. Through daily reflection and meditation, *In God's Care* gifts a healing inspiration to our spirit. Steadily, we find spiritual growth. Recovery is an act of faith. An addict is promised healing and self-development through the rigors of counseling, treatment, therapy, and a Twelve Step program. With motivational guidance, addictive behaviors are abandoned, coping skills are learned, and sobriety is lasting. The cycle of addiction is broken by trusting in the process. This is the power of faith: a new way of life. Co-author Karen Casey, who wrote the bestselling recovery classic *Each Day a New Beginning*, harnesses this power to transform life's struggles into a devotional outlook. These heartfelt meditations encourage the optimism needed for continuous change. It doesn't matter what we call the goodness we wish to be and see—God or otherwise. It only matters that we hold it in our hearts and affairs as we create a new life. That is the truest definition of a Higher Power.

Keepers of the Wisdom *Simon and Schuster*

Keepers of the Wisdom, a daily meditation guide for older adults, captures the words of the aging themselves and provides a deep sense of spiritual center gained through experience and acceptance. After the first joys of early retirement, author Karen Casey quickly experienced a minor identity crisis. The process of redefining herself in the absence of a career was made easier after interviewing other older adults with similar experiences. Casey's interviews included men and women from a wide range of ages (58-92) and from various parts of the country. Their stories were as varied as their personalities. However, Casey discovered one common element. They had each discovered an activity that gave their lives real meaning and tied them to the larger human community. Keepers of the Wisdom, a daily meditation guide for older adults, captures the words of the aging themselves. Casey, in her classic style, comments upon those insights with her own wisdom and sensitivity, providing affirmations that can become a part of one's daily living. Underlying each of the meditations is a deep sense of a spiritual center gained through experience

and acceptance. Keepers of the Wisdom provides a spiritual center gained through experience and acceptance. These meditations are a portrait of active and fulfilling lives that give great purpose to themselves and to others.
