Recruiting in the Age of AI - TalentCulture

The digital age offers many ways to engage job seekers — but blasting a “help wanted” ad with traditional recruiting tactics isn’t one of them. Instead, recruiters must take a page from marketers to attract the talent their organizations need, through brand-building, organic marketing and relationship nurturing. It’s time to learn how to recruit in the age of Googlization — the expansion of Google’s search technologies into more markets and contexts — or, as I call it ...

Recruiting in the age of COVID-19 /Talent Acquisition: A compass in the new frontier. There are very few upsides to operating a recruiting agency during an economic recession. One of the upsides that optimistic recruiters turn to is the opportunity to develop new relationships with professionals that have been laid-off, furloughed, or downgraded by their

employers due to the circumstances we are experiencing.
