The .pdf file consists of 100 pages, one page for each root card in English From the Roots Up (Volume 1). The file prints only the root on the card; the back of the card, with all the derivatives, will still need to be filled out by the student. When I printed out my cards, I simply fed a 4x6 index card into my printer one at a time. (I printed the root on the blank side and left the

ruled side for the kids to write on.)
