Cryptonomicon

Cryptonomicon is a 1999 novel by American author Neal Stephenson, set in two different time periods. One group of characters are World War II-era Allied codebreakers and tactical-deception operatives affiliated with the Government Code and Cypher School at Bletchley Park (UK), and disillusioned Axis military and intelligence figures. The second narrative is set in the late 1990s, with ...

CRYPTONOMICON. During the Second World War, the Allies took elaborate measures to hide from the Nazis the fact that they had broken the Enigma code. It occurred to me that an interesting novel might be written about a hypothetical, top-secret military unit whose purpose was to run around the fringes of the war planting fake evidence intended to throw the Nazis off the scent. That was the ...
