I was looking around and I found this:  
 BL3-406 manual It is \$10 for a downloadable manual for your machine. I have a BL3-418 and I love it. It doesn't have all the bells and whistles that the newer ones have but it is a workhorse! I do a lot of sewing for the local high school theatre department and I have never had any problems with mine. -- Edited on 6/22/12 6:10 PM--
