Since my early childhood I enjoyed building LEGO models. Growing up in the late 80s & early 90s I was a big fan of the castle theme and glad to see the medieval theme in the mix today. At the medieval market you could buy locally produced goods such as food, cloth, and other necessities from farmers and local peasants.

LEGO IDEAS - Medieval Market

I'm a big fan of the medieval theme and fascinated by all kinds of modular buildings, so I went to this idea pretty quickly. In total, the model contains approximately 2500 bricks and is divided into 4 parts, which you can take away in order to access the interior of the building and play with the Lego figures.

We are studying the medieval period and the book is a nice change of pace that coincides with our studies. We read the Canterbury Tales and one of my kids was happy to report that he did some reading on Geoffrey Chaucer in this Lego book. It's fun to see the kids make those connections, even if it is a Lego book.
