Levine Award Winner of the TCU Texas Book Award Winner of the NACCS Tejas Foco Nonfiction Book Award Winner of the María Elena Martínez Prize Frederick Jackson Turner Award Finalist "A page-turner...Haunting...Bravely and convincingly urges us to think differently about Texas's past." —Texas Monthly Between 1910 and 1920, self-appointed protectors of the Texas-Mexico border—including members of the famed Texas Rangers—murdered hundreds of ethnic Mexicans living in Texas, many of whom were American citizens. Operating in remote rural areas, officers and vigilantes knew they could hang, shoot, burn, and beat victims to death without scrutiny. A culture of impunity prevailed. The abuses were so pervasive that in 1919 the Texas legislature investigated the charges and uncovered a clear pattern of state crime. Records of the proceedings were soon filed away as the Ranger myth flourished. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Leaves from Fire *CreateSpace*

Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

Into the Wild *Anchor*

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Road *Vintage*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is

cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

The Giver *Houghton Mifflin Harcourt*

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Leaves of Grass

The Little Prince *GENERAL PRESS*

First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

Siddhartha *Diamond Pocket Books Pvt Ltd*

Hermann Hesse, the author, has narrated a lot about Siddhartha and his spiritual journey. A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, "Do the sacrifices give a happy fortune?", "What about the Gods?", "Was it really Prajapati who had created the world?" "Was it not the Atman, the singular one?" Siddhartha meets his father and says, "With your permission, my father, I have come to tell you that it is my longing to leave your house tomorrow and go to ascetics. My desire is to become a Samara." His father says-"You will go into the go forest and be a Samara , when you will find blissfulness in the forest, come back and teach me to be blissful."

This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can't resist to leave the book in the mid.

Weekly, and more. “A lyrical work of self-discovery that’s shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.” —Ron Charles, *The Washington Post* Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling *On Earth We’re Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We’re Briefly Gorgeous* is as much about the power of telling one’s own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between

disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: *GQ*, *Kirkus Reviews*, *Booklist*, *Library Journal*, *TIME*, *Esquire*, *The Washington Post*, *Apple*, *Good Housekeeping*, *The New Yorker*, *The New York Public Library*, *Elle.com*, *The Guardian*, *The A.V.
