Good Night, Summer Lights (Fiber Optic Book) by Joanne ...

What attracted me to it was two things -
first, I love summer. Second, it had such
engaging illustrations and twinkly
flashing lights. It basically goes through
a synopsis of an evening in the summer,
and all the lights you might see -
fireflies, a fair, fireworks, shooting
stars... My children, aged 17 months and
2 1/2, love this book.
