Orley Farm

Trollope's Works ￼￼

THE COMMENCEMENT OF THE GREAT ORLEY FARM CASE. It is not true that a rose by any other name will smell as sweet. Were it true, I should call this story "The Great Orley Farm Case." But who would ask for the ninth number of a serial work burthened with so very uncouth an appellation? Thence, and therefore,—Orley Farm. I say so much at commencing in order that I may have an opportunity of explaining that this book of mine will not be devoted in any special way to rural delights. The name might lead to the idea that new precepts were to be given, in the pleasant guise of a novel, as to cream-cheeses, pigs with small bones, wheat sown in drills, or artificial manure. No such aspirations are mine. I make no attempts in that line, and declare at once that agriculturists will gain nothing from my present performance. Orley Farm, my readers, will be our scene during a portion of our present sojourn together, but the name has been chosen as having been intimately connected with certain legal questions which made a considerable stir in our courts of law. It was twenty years before the date at which this story will be supposed to commence that the name of Orley Farm first became known to the wearers of the long robe. At that time had died an old gentleman, Sir Joseph Mason, who left behind him a landed estate in Yorkshire of considerable extent and value. This he bequeathed, in a proper way, to his eldest son, the Joseph Mason, Esq., of our date. Sir Joseph had been a London merchant; had made his own money, having commenced the world, no doubt, with half a crown; had become, in turn, alderman, mayor, and knight; and in the fulness of time was gathered to his fathers. He had purchased this estate in Yorkshire late in life—we may as well become acquainted with the name, Groby Park—and his eldest son had lived there with such enjoyment of the privileges of an English country gentleman as he had been able to master for himself. Sir Joseph had also had three daughters, full sisters of Joseph of Groby, whom he endowed sufficiently and gave over to three respective loving husbands. And then shortly before his death, three years or so, Sir Joseph had married a second wife, a lady forty-five years his junior, and by her he also left one son, an infant only two years old when he died.

How to Raise Cattle

Raising livestock, such as cattle, used to be a common practice among homesteaders and early settlers. These people used cattle for many of the same things we do today; for food, milk, and to tan leather for clothes and other goods. They also used cattle as draft animals when horses were scarce; to pull carts, farm equipment, and wagons full of products. Currently, most cattle farmers operate an institution of the industrial food chain, rather than butchering their livestock for self-sustenance. Should a survival situation of epic proportions ever befall us, raising cattle for food will once again be a common trait among those fortunate enough to survive. This guide books walks the novice rancher through the process of raising cattle, from calving to butchering, this book covers quite a bit. This book is full of the knowledge and skills you will require if you have the desire to raise cattle for any purpose, or for a multitude of purposes. If you've never raised cattle before, this is the book for you. To Your Safety & Security, Tristan Trouble

West Richardson Street

A Novel about High Wycombe CreateSpace

'Life is one big road with a lot of signs, signs and more signs you've got to make up your mind to face reality all the time.' Badmarsh & Shri/Tenor Saw/Bob Marley Shiraz is a newly appointed Police Community Support Officer who discovers the body of an Asian prostitute Mandy in a skip in West Richardson Street, High Wycombe. The investigations lead him to a local taxi driver Asif and a journalist Stacy who works for a local newspaper. Running alongside this is the story of Anna the daughter of a furniture worker in High Wycombe in 1913 and her adventures during these heady times in the town's history. In the background is the spectre of the Assassin whose agenda of racial terrorism drives the story to a profound climax. West Richardson Street is about the past and the present histories of High Wycombe. About lives lost over pieces of dirt and how particular roads and areas of the town resonate with dark and unspoken tales. It's about placing the arrival of Asian and African Caribbean people to Buckinghamshire in a historical context and making them part of this history rather than existing outside of it. West Richardson Street looks at the town throughout the ages but in particular before the war where the furniture industry in High Wycombe was at its height, the early eighties where there were riots and finally 2007 and the paranoid times after the 2006 terror raids. 'The lie was powerful. It had wrapped itself over the Chiltern Hills and the fabric of the County. It was embedded into the DNA of the mighty and the powerful and covered up a multitude of sins.'

The Other Alexander

Book I of the Bow of Heaven

"Winner, 2011 Gold Award, Historical Fiction, eLit Book Awards." In the greatest, foulest city in the world, love, mayhem and betrayal are waiting for the slave, Alexandros. Given as a gift to the richest man in Rome, he soon discovers that intrigue and murder stalk the house of his master. Alexandros is astute, well-educated and brimming with caustic wit, but he can't seem to remember the golden rule of slavery: keep your head down and your mouth shut. No wonder more than one person in the house of Marcus Crassus wants to see this former Greek philosophy student dead. Through accident and intervention, Alexandros manages to survive, but is he willing to take the proffered hand of the one ally he wants desperately to despise - his owner? Every boon and advancement accepted from Crassus is an acknowledgment that his former life is gone. Yet how can he resist? Crassus is a good man, for a Roman. At last, Alexandros realizes that accepting his condition is the only way to recoup the little freedom left him. He willingly opens his eyes to his new life ... and immediately falls in love with Livia, a fellow servant he's never allowed himself to see. But romance for a slave is a fragile thing, especially when tragedy befalls the Crassus household in the guise of Gaius Julius Caesar and his insatiable ambition. Alexandros has won the ear of Crassus, but can a slave keep a master of Rome from making a choice that could topple the foundations of an empire?

Boy from the Sky

The Curious Genesis of the World's First Ethnography Thistle Publishing

In 1806 a British privateer limped into the Tongan archipelago. This is the story of the fifteen year-old ship's clerk who, in four years, rose from being a naked and derided castaway to a member of the Tongan aristocracy. Eight years after he was rescued, William Mariner's account of his years in Tonga became a best-seller not because of its status as the world's first ethnography but due to the extraordinary adventure story he told. Surviving a massacre aboard the ship, Mariner was adopted by its perpetrator, King Finau, and groomed to be his lieutenant. With the ship's cannons and muskets in the hands of the sixteen other crewmembers he had spared for the task, Finau plunged the islands into civil war. Mariner's graphic account of the impact of western arms upon a stone-age population is matched by his descriptions of the chaotic scenes that followed as Finau's army resorted to cannibalism and headhunting. But by placing himself at the centre of the action and airbrushing out the other crewmembers Mariner constructed a gripping but deeply deceptive narrative. From sources unavailable at the time of the publication of his account this book uncovers the extraordinary reasons for his deception. Praise for Nigel Randell's last book 'The White Headhunter': "His telling of Renton's story is brilliantly done....original and gripping. " - Sunday Times "It is an utterly compelling story." - Daily Mail "Fascinating and horrendous." - Publisher's Weekly "A fabulous ethnographic tale." - Kirkus Review
