Baby on the Way by William Sears - Goodreads

"Baby on the Way" is a superb book for preparing older siblings for the arrival of a baby

in the house. Written by pediatrician William Sears, registered nurse and certified childbirth educator Martha Sears, and author Christie Watts Kelly, cofounder of the Memphis chapter of Attachment Parenting International, this book does an amazing job of adapting to young readers.

A great way to do this is our book, "Baby On The Way." I also found it helpful to give the older sibling some responsibility in caring for the new baby, such as going to get a fresh diaper during the changing procedure. Most toddlers love to "help" mom and this is a great way to keep them involved with the new baby..

The book, "Baby on the Way," from the famous Sears Children's Library, is a wonderful

way to help children understand everything about their new baby brother or sister. The book begins with some helpful tips for parents and caregivers, and then tells the story of the new baby's beginnings...in the mommy's belly.
