Reinventing The Sacred A New

For those who believe in a Creator God, no science will ever disprove that belief. In *Reinventing the Sacred*, Kauffman argues that the science of complexity provides a way to move beyond reductionist science to something new: a unified culture where we see God in the creativity of the universe, biosphere, and humanity. Kauffman explains that the ceaseless natural creativity of the world can be a profound source of meaning, wonder, and further grounding of our
