The Mighty Johns: A Novella *Grand Central Publishing*

From a #1 New York Times bestselling author comes a gripping thriller novella about a college football player's investigation into the unsolved disappearance of a local legend who seemingly vanished into thin air. Forty years ago, Herschel Ruggles, the most legendary player on the Mighty Johns football team at Draven University,

disappeared after scoring a record-breaking touchdown. Instead of tossing the ball to the referee after his near-mythical athletic feat or celebrating with the nearly 25,000 spectators in the stands, Ruggles continued running, ball in hand, into a passageway that led deep underneath the field to the Mighty Johns' locker room—and was never seen again. His disappearance has mystified the community for decades . . . until another player—Merlin North, a brilliant physics major—helps break Ruggles's record for kickoff returns. After that, North turns detective and becomes fixated on discovering what happened to

Herschel Ruggles. Investigating Ruggles's mysterious disappearance, however, will prove unexpectedly dangerous for North, as evidence of murder—and ghostly visions—reveal the truth to be far more stunning than he ever could have anticipated. Includes a teaser for *A Gambling Man*, David Baldacci's second Archer novel—available now!

unpredictable, and utterly absorbing, *Nanny Needed* is a gasp-out-loud thriller that will make your head spin.”—Samantha M. Bailey, #1 bestselling author of *Woman on the Edge*
Nanny needed. Discretion is of the utmost importance. Special conditions apply. When Sarah Larsen finds the notice, posted on creamy card stock in her building's lobby, one glance at the exclusive address tells her she's found her ticket out of a dead-end job—and life. At the interview, the job seems like a dream come true: a glamorous penthouse apartment on the Upper West Side of NYC; a salary that adds several zeroes to her current income; the beautiful, worldly

mother of her charge, who feels more like a friend than a potential boss. She's overjoyed when she's offered the position and signs the NDA without a second thought. But in retrospect, the notice in her lobby was less an engraved invitation than a waving red flag. For there is something very strange about the Bird family. Why does the beautiful Mrs. Bird never leave the apartment alone? And what happened to the nanny before Sarah? It soon becomes clear that the Birds' odd behaviors are more than the eccentricities of the wealthy. But by then it's too late for Sarah to seek help. After all, discretion is of the utmost importance.

The Lost Hours
Penguin

The New York Times bestselling author of the Tradd Street novels delivers a gripping tale of family, fate, and forgiveness. When Piper Mills was twelve, she helped her

grandfather bury a box that belonged to her grandmother in the backyard. For twelve years, it remained untouched. Now a near fatal riding accident has shattered Piper's dreams of Olympic glory. After her grandfather's death, she inherits the house and all its secrets, including a key to a room that doesn't exist—or does it? And after her grandmother is sent away to a nursing home, she remembers the box buried in the backyard. In it are torn pages from a scrapbook, a charm necklace—and a newspaper article from 1939 about the body of an infant found floating in the Savannah River. The necklace's charms tell the story of three friends during the 1930s— each charm

added during the three months each friend had the necklace and recorded her life in the scrapbook. Piper always dismissed her grandmother as not having had a story to tell. And now, too late, Piper finds she might have been wrong.
