Language And Power Norman Fairclough

How this is done is based largely on how language is used to naturalise the inequality of power relations within a society. Fairclough's point, then, and how the book ends, is to call for critical language analysis to be taught in schools so that students can see how language is used as an instrument of power in the interests of those in power so as to naturalise certain ways of understanding the world.

NORMAN FAIRCLOUGH shows that many interactions are 'unequal encounters'; that language choice

is created and constrained by certain social 'power' situations or 'power type' discourse of kinds accepted as 'normal' for that kind of encounter, e.g. a manager/worker or doctor/patient conversation (or, in a text, the use of stereotypes or other ideological ideas).

Language and Power - English Language Revision

What are Norman Fairclough's ideas on language and power? The two main ideas that you can use in an essay are his idea of 'power behind discourse' and 'power in discourse'. He believed that social situations are shaped by power dynamics. His idea of 'power behind discourse' looks at power dynamics between the two speakers themselves, and how their current situation affects their power asymmetry, or difference.

What are Norman Fairclough's ideas on language and power ...

Norman Fairclough is an emeritus Professor of Linguistics at Department of Linguistics and English Language at Lancaster University. He is one of the founders of critical discourse analysis as applied to sociolinguistics. CDA is concerned with how power is exercised through language. CDA studies discourse; in CDA this includes texts, talk, video and practices.
