The frontier myth or myth of the West is one of the influential myths in American culture. The frontier is the concept of a place that exists at the edge of a civilization, particularly during a period of expansion. The American frontier

occurred throughout the 17th to 20th centuries as European Americans colonized and expanded across North America. . This period of time became romanticized ...

American Myth And The Legacy Of Vietnam

To understand the history of the American West, you have to understand the mark left by its earliest colonists.

Among those you'll encounter here are the Spaniards (who introduced horses), the French (who developed a complex trade system), and the English (who, ironically, had little interest at first in colonizing west of the Appalachians)....

Myth, Memory, and the Legacy of Vietnam. One of the most resilient images of the Vietnam era is that of the anti-war protester — often a woman — spitting on the uniformed veteran just off the plane. The lingering potency of this icon was evident during the Gulf War, when war supporters invoked it to discredit their opposition.
