ASTB(Aviation Selection Test Battery) | Navy Officer Programs

The US Navy has long recognized the need for selecting the finest and most qualified individuals to join their officer ranks. Right before the onset of WW2, the US Navy began implementing standardized tests to predict candidate success in aviation training and related occupations. Spanning over 60 years the evolution of this standardized testing has resulted in the modern ASTB-E which is still used to select college graduates for entry level officer positions and to select candidates for ...
