The student of the Letter of James would

be amiss not to invest in the Pillar Commentary by Moo. For those who would like it a little shorter and a little easier to digest, this Tyndale Commentary on James will suffice as well. Two other James commentaries that I would highly recommend are Kistemaker's and MacArthur's.

Douglas Moo is a great Pauline scholar and a master of New Testament Greek. In this volume, he turns to the letter of James. It takes a certain level of presumption to find fault in the work of such a man, but I believe that my criticism is just. Dr. Moo does a great job in his handling of matters of Greek grammar and syntax, as one would

expect.

THE LETTER OF JAMES. The person to whom this letter is ascribed can scarcely be one of the two members of the

Twelve who bore the name James (see Mt 10:2-3; Mk 3:17-18; Lk 6:14-15), for he is not identified as an apostle but only as “slave of God and of the Lord Jesus Christ” (). This designation most probably refers to the third New Testament personage named James, a relative of ...

Pillar New Testament Commentary . Moo, Douglas J. “Few books in the New Testament are better known or more often quoted as the Letter of James. Because James is so concise, so intensely practical, and so filled with memorable metaphors and illustrations, it has become one of the two or three most popular New Testament books in the church. This highly original commentary seeks to make the Letter of James clear and applicable to Christian living today.

The Letter of James, Douglas Moo | Maranatha Baptist Seminary

The Letter of James is not addressed to a single church but to “the twelve tribes scattered among the nations” (1:1). This general address led early Christians to categorize James, along with the similarly vaguely addressed 1 and 2 Peter, 1, 2, and 3 John, and Jude, as a “general” or “catholic” (in the sense of “universal”) letter. Perhaps because the letters did not find a home in any single church, each of them had something of a struggle to find general acceptance as ...

When I took a class on Romans in Seminary, I was assigned two

commentaries: James D. G. Dunn (Word Biblical Commentary) and Douglas J. Moo (New International Commentary on the New Testament). While I lean more towards Dunn’s interpretation of Romans, I was struck by the depth and readability of Moo’s work.

The genius of the letter of James lies in its powerfully simple call for repentance, for action, for a consistent Christian lifestyle. In this revised commentary Douglas Moo allows James’s words to cut through our theological debates, our personal preconceptions, our spiritual malaise and return us to an invigorating, transforming Christianity.

James (Tyndale New Testament Commentaries) (VOLUME 16 ...

Few New Testament books have been as controversial and misunderstood as the letter of James. Its place in the canon was contested by some early Christians, and the reformer Martin Luther called it an “epistle of straw.” The sometimes negative view of the letter among modern theologians, however, is not shared by ordinary believers.

The Letter of James - Douglas J. Moo : Eerdmans

James Dunn called the letter “the least Christian writing of the NT.” If readers desire to find in James a theology expressed solely in the familiar categories of systematic theology, then they will be disappointed. Such definitions of theology, however, are simply too narrow and anachronistic in their expectations.
