For the spiritual adept, the amateur, or the simply curious, the Encyclopedia of Spirits will inform, inspire, and delight.

The Dictionary of Demons

Names of the Damned *Llewellyn Worldwide*

The Dictionary of Demons starts with a simple premise: names have power. In medieval and Renaissance Europe, it was believed that speaking a demon's true name could summon it, compel it, and bind it. Occult scholar Michelle Belanger has compiled the most complete compendium of demonic names available anywhere, using both notorious and obscure sources from the Western grimoiric tradition. Presented alphabetically from Ariel to Zynextyur, more than 1,500 demons are introduced, explored, and cross-referenced by theme and elemental or planetary correspondence. This meticulously researched reference work features fascinating short articles on demonology and a wealth of woodcuts, etchings, and paintings depicting demons through the ages.

Gods, Demigods and Demons

An Encyclopedia of Greek Mythology *Open Road Media*

The essential guide to more than 540 supernatural figures of Greek mythology—as well as notable mortals—from Acantha the nymph to Zeus, king of the gods. Do you know the story behind Pandora's Box, or the difference between Hercules and Heracles?

Turn to this alphabetic encyclopedia, with more than 540 entries detailing all the major and minor characters, events, and settings of Greek mythology, from an introduction to the nymph Acantha to a succinct characterization of Zeus, the all-powerful ruler of the gods. This invaluable reference covers all types of heroes, gods, demigods, creatures, demons, and notable mortals, with their classic stories retold in riveting summaries. This comprehensive guide brings Greek mythology to life, and includes a helpful pronunciation key.

Blending Insightful Erudition And Lively Description, Nanditha Krishna Brings To Life The Traits And Actions Of A Host Of Complex, Colourful, Monstrous And Intriguing Demons That Inhabit Indian Religion And Mythology.

The Devil's Dictionary *Standard Ebooks*

"Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work." Bierce's groundbreaking Devil's Dictionary had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical The San Francisco Illustrated Wasp. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce's collection get published by Doubleday, under the name The Cynic's Word Book—the publisher not wanting to use the word "Devil" in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the Devil's Dictionary as we know it was published in complete form as part of Bierce's collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-

only “Demon’s Dictionary” column, including Bierce’s classic definition of A: “the first letter in every properly constructed alphabet.” Bierce enjoyed “quoting” his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—“jape” of course having the definition: “a practical joke.” This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book’s humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Encyclopedia of Ancient Deities *Routledge*

The history of the divine is the history of human thought. For as long as men and women have pondered the mysteries of their existence, they have answered their own questions with stories of gods and goddesses. Belief in these deities shaped whole civilizations, yet today many of their names and images lie buried. The Encyclopedia of Ancient Deities makes those names available to the general reader as well as the scholar. This reference work lists all the known gods through recorded history. Alphabetically arranged entries provide the name of each deity (with alternate spellings), as well as notes on names that may be linguistically or functionally related. The tribe or culture that worshiped the deity is identified, and the god's origins and functions are explained. An extensive bibliography provides opportunities for further research and an exhaustive index provides access to the entries through virtually all names, forms and kinds of deities.

Akkadian Loanwords in Biblical Hebrew *BRILL*

Akkadian Loanwords in Biblical Hebrew is an in-depth examination of Hebrew words that are of Akkadian origin or transmitted via Akkadian into the Hebrew lexicon.

Dictionary of Ancient Deities *Oxford University Press, USA*

From Athena and Brahma to the evil demon king Kgworekara of the African Fan people and the Babylonian dream messenger Zagar, this title is one of the most extensive references ever compiled on ancient deities.

Dictionary of Gods and Goddesses, Devils and Demons *Routledge/Thoemms Press*

Containing around 1,800 entries this Dictionary covers, in one volume, all the important deities and demons from around the world. The gods of ancient mythology appear alongside the gods of contemporary religion, and lesser' mythologies and religions are also fully covered. The author provides an extensive network of cross-references, allowing the reader to draw cross-cultural comparisons. The Dictionary will be an invaluable source of information for anyone interested in comparative religion or the diversity of religious views throughout the world.

Oxford Bibliographies

Latino studies

"An emerging field of study that explores the Hispanic minority in the United States, Latino Studies is enriched by an interdisciplinary perspective. Historians, sociologists, anthropologists, political scientists, demographers, linguists, as well as religion, ethnicity, and culture scholars, among others, bring a varied, multifaceted approach to the understanding of a

people whose roots are all over the Americas and whose permanent home is north of the Rio Grande. Oxford Bibliographies in Latino Studies offers an authoritative, trustworthy, and up-to-date intellectual map to this ever-changing discipline."--Editorial page.

Powers of Evil

A Biblical Study of Satan and Demons *Apollos*

Books on the demonic abound, but not until Sydney H. T. Page's Powers of Evil has there been such a comprehensive biblical analysis of Satan and demons. Powers of Evil offers an exposition of every biblical reference to the demonic and analyzes historic and modern views. Page interprets particular passages from which some Bible readers have leaped to false conclusions. Studies of Jesus' confrontations with demons and of the exorcisms recorded in the Gospels and Acts examine the interplay of power and authority and the implications for the believer's stand in Christ.

The Encyclopedia of Demons and Demonology *Infobase Publishing*

Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

Tibetan Book of the Dead *Courier Dover Publications*

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

The Unseen Realm

Recovering the Supernatural Worldview of the Bible *Lexham Press*

In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of

the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

Encyclopedia of Gods

Over 2,500 Deities of the World

Throughout history, questions of life and death, famine and bounty, good and bad luck have puzzled people the world over, and they have attempted to solve mysteries and allay fears in the same way - through the worship of gods. Arranged alphabetically from A-a, the sun goddess of Mesopotamia, to Zurvan, the Persian god of fate, *Encyclopedia of Gods* is the most broadly based work of reference yet produced on gods from all over the world. Giving equal emphasis to ancient mythology and contemporary religions, the entries explain the culture of origin and the role of each god or goddess, while longer essays give details of artistic and literary references, known dates of worship and legends associated with the more important deities.

The Brill Dictionary of Religion *Brill Academic Pub*

The Brill Dictionary of Religion describes and analyses the multifaceted roles of religions, both historically and in contemporary societies. This well-illustrated, comprehensive reference work engages religion as an important element of daily life and public communication.

Supernatural

What the Bible Teaches about the Unseen World and Why It Matters *Lexham Press*

Dr. Michael S. Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural, unfiltered by tradition or by theological presuppositions. Who were the sons of God? Who were the Nephilim? Where do angels fit into the supernatural hierarchy? What relation does Jesus bear to the rest of the supernatural world? Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture. After reading this book, you may never read your Bible the same way again. In *Supernatural*, Heiser takes the core message from his recent best-seller, *The Unseen Realm*, and presents it for the person in the pew. He offers the same approach to reading and understanding Scripture, but without all the extra footnotes and supporting information needed for the scholarly treatment. "We can't believe what we don't understand. In *Supernatural*, Michael Heiser helps us to do both. It may open your eyes to the scripture in a new way." --John Ortberg, author of *If You Want to Walk on Water, You've Got to Get Out of the Boat*

Angels

What the Bible Really Says about God's Heavenly Host

What does the Bible really tell us about the heavenly host?

Everyone knows that angels have wings, usually carry harps, and that each of us has our own personal guardian angel, right? We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren't based on anything from the Bible. If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you're not getting that picture from anything the Bible itself says. What the Bible really says about angels is overlooked or filtered through popular myths. This book was written to help change that. It's a book about the loyal members of God's heavenly host, and while most people associate them with the word "angel," that's just one of many terms the Bible uses for supernatural beings. In *The Unseen Realm*, Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in. In his latest book, *Angels*, Dr. Heiser reveals what the Bible really says about God's supernatural servants. Heiser focuses on loyal, holy heavenly beings because the Bible has a lot more to say about them than most people suspect. Most people presume all there is to know about angels is what has been passed on in Christian tradition, but in reality, that tradition is quite incomplete and often inaccurate. *Angels* is not guided by traditions, stories, speculations, or myths about angels. Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host; he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world. The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period--Jewish writings from around the 5th century BC to the 1st century AD. This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways. With that important background established, the book focuses on what the New Testament tells us about God's holy ones. Finally, the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today.

Demons

What the Bible Really Says about the Powers of Darkness *Lexham Press*

The truth about demons is far stranger-and even more fascinating-than what's commonly believed. Are demons real? Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things? Did a third of the angels really rebel with Satan? Are demons and "principalities and powers" just terms for the same entities, or are they different members of the kingdom of darkness? Is the world a chaotic mess because of what happened in Eden, or is there more to the story of evil? What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today. And this ancient worldview is missing from most attempts to treat the topic. In *Demons*, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says. You'll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits, and spiritual warfare.

Dictionary of Cults, Sects, Religions, and the Occult *Zondervan*

Covers the founders, beliefs, history, and practices of religious

groups found in the United States

The Infernal Dictionary

Devils, Gods, and Spirits of the Dictionnaire Infernal *Independently Published*

The text and images of the spirits, from the 1863 edition are presented here, in this Infernal Dictionary. A must have for the library of any serious student of the Black arts and witchcraft!

The Beginner's Guide to Atheism

The Beginner's Guide to Atheism is a sometimes serious, sometimes witty (and sarcastic) look at religion and why people should avoid superstitious beliefs whenever possible. This book is a highly opinionated assault on all things supernatural and a real take-down of deities and demons alike. It covers logic, reason, belief, knowledge, dogma and even apologetics in a way that guarantees you'll not only understand it, you'll also never forget what you just read. Remember: Nothing is sacred.

The Rephaim

Sons of the Gods *Culture and History of the Anc*

1. Introduction -- 2. The Ugaritic evidence -- 3. The Phoenician evidence -- 4. The Biblical evidence -- 5. General conclusions -- Bibliography -- Hebrew bibliography -- Index.

Satanology

Understanding Satan and Demons

Who is Satan and what is he? There are various views on this. Some believe Satan is the personification of evil but not an actual person or being. However, Scripture teaches Satan is not just an invisible evil power, nor a personification of it. He is an actual being (cf. Job 1:6-12, Matt 4:1-11, Rev 20:1-3, 7-10). In fact, outside of God, Satan apparently is the most powerful being in the world (cf. Jude 1:9). His name means opposer, enemy, or adversary. He is the chief of the fallen angels and constantly works to oppose God and his will (cf. Rev 12:7-12). Because he opposes God, he opposes God's people and seeks to keep unbelievers from coming to God. Since he is our enemy, we must understand him and his tactics if we are to defeat him. In 1 Peter 5:8-9, Peter says, "Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Resist him, standing firm in the faith..." If we are unaware of our enemy, not knowledgeable of him, or simply unconcerned, the consequences may be devastating. In Satanology, we will consider our enemy, Satan and his demons, so that we may stand strong in the faith when attacked, defeat him, and rescue others from his grasps. James 4:7 says, "So submit to God. But resist the devil and he will flee from you." Let's learn about Satan together with the Bible Teacher's Guide. "The Bible Teacher's Guide ... will help any teacher study and get a better background for his/her Bible lessons. In addition, it will give direction and scope to teaching of the Word of God. Praise God for this contemporary introduction to the Word of God." -Dr. Elmer Towns, Co-founder of Liberty University

The Disguises of the Demon

The Development of the Yaksa in Hinduism and Buddhism *SUNY Press*

Among the most ancient deities of South Asia, the yaksa straddles the boundaries between popular and textual traditions in both Hinduism and Buddhism and both benevolent and malevolent facets. As a figure of material plenty, the yaksa epitomized as Kubera, god of wealth and king of the yaks. In demonic guise, the yaksa is related to a large family of demonic and quasi-demonic beings, such as nagas, gandharvas, raksas and the man-eating pishachas. Translating and interpreting texts and passages from the Vedic literature, the Hindu epics, the Puranas, Kalidasa's Meghaduta, and the Buddhist Jataka Tales, Sutherland traces the development and transformation of the elusive yaksa from an early identification with the impersonal absolute itself to a progressively more demonic and diminished terrestrial characterization. Her investigation is set within the framework of a larger inquiry into the nature of evil, misfortune, and causation in Indian myth and religion.

Demons and Spirits in Biblical Theology

Reading the Biblical Text in Its Cultural and Literary Context *Wipf and Stock Publishers*

Some people believe that a battle of cosmic proportions is raging as Satan and his demons seek to destroy Christians and undermine God's plans. Others believe that all talk of demons in the Bible and theology only reflects pre-modern superstitions that should be re-interpreted in philosophical and psychological terms. Despite their contrasts, both believe that the Bible directly or indirectly intends to teach readers about reality. Another path is possible. What if references to demons in the Bible are similar to references about the shape and structure of the cosmos representing the beliefs familiar to the ancient audience but used only as a framework for teaching about the plans and purposes of God? This approach is here worked out through detailed examination of hermeneutical method, the ancient Near Eastern and Greco-Roman contexts, each of the biblical terms and passages, and the essentials of biblical and systematic theology. Unlike many scholarly treatments of demons, readers will not find an assessment of the metaphysical realities. Instead they will be introduced to a hermeneutical, exegetical, and theological feast regarding what the Bible, understood in its ancient context, teaches.

The Dictionary of Demons: Expanded & Revised

Names of the Damned *Llewellyn Worldwide*

This premium-hardcover, limited edition of one the world's most important books on demonology has been expanded to include even more fascinating details about even more demons. Ever since the publication of the original book, author M. Belanger has been collecting material for this expanded, tenth-anniversary edition. The addition of new articles, demons, appendices, and art make the bestselling Dictionary of Demons into an even more comprehensive resource. You will discover an expanded introduction, special extended articles, an update to the Decans of the Zodiac, additional entries on demons that were not previously included, and dozens of new illustrations. These additions explore the roots of demonology, comparative mythologies, and the influence of important source texts. Compiled from intensive research on notorious and obscure sources from the Western grimoiric tradition, The Dictionary of Demons is one of the most complete compendiums of demonic names available anywhere. Presented alphabetically from Ariel to Zynexyur, more than 1,500 demons are introduced, explored,

and cross-referenced by theme and elemental or planetary correspondence. This meticulously researched reference work features fascinating short articles on demonology and a wealth of woodcuts, etchings, and paintings depicting demons through the ages.

Kaiju of Biblical Proportions *Independently Published*

Godzilla, Mothra, and Gamera are all well-known kaiju in Japanese stories and movies. These strange creatures, often of enormous size, tend to bring chaos along with them wherever they go. Intriguingly enough, kaiju-like beings can be found throughout the Bible in creatures such as Leviathan, Rahab, and Behemoth. But what exactly are these beings? Are they mythical? Are they symbolic? Are they supernatural beings? Were they living creatures that existed long ago? Or do they still exist today, hidden from us? Can all of these questions even be concretely answered? Pastor Jamin Bradley takes the perspectives of many

different scholars into account in attempts to help us find the real significance behind these creatures. This short experimental work is one part academic and one part artistry. Experience what happens when the full-color art of Asia is melded with deep Bible study in, Kaiju of Biblical Proportions.

The Art of South and Southeast Asia

A Resource for Educators *Metropolitan Museum of Art*

Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

Dictionary of All Scriptures and Myths

A Classic Reference Guide to the Sacred Language of the Religions of the World *Wipf and Stock Publishers*
