(PDF) The Twin Processes of Nation-Building and State-Building

Nation-building is constructing or structuring a national identity using the power of the state. Nation-building aims at the unification of the people within the state so that it remains politically stable and viable in the long run. According to Harris Mylonas, "Legitimate authority in modern national states is connected to popular rule, to majorities. Nation-building is the process through which these majorities are constructed." Nation builders are those members of a state who take the initia

way, 'state -building' focuses on the practical task of building or strengthening state institutions, while 'nation-building' is more concerned with the character of relations between citizens and...

(PDF) Nation-Building

Abstract. This essay discusses, from a historical and contemporary perspective, the processes of state and nation building. The difficulties of making every nation a state and every state a nation, and the fact that people live intermingled within

the borders of states and have different and often dual identity leads to arguments for multi-national states, states which abandon the dream of becoming nation states and 'nations' willing to live in a multi-national democratic liberal state.

State building and nation building | European Review ...

The latest conceptualization is essentially that nation-building programs are those in which dysfunctional or unstable or "failed states" or economies are given assistance in the development of governmental infrastructure, civil society, dispute resolution mechanisms, as well as economic assistance, in order to increase stability.
