Mind, Language, and Society: Philosophy in the Real World ...

John Searle takes upon him the modest pursuit of explaining mind, language and society. Searle is a refreshingly clear writer. His main task in this book is to defend many of what he calls the "Default Positions", that is, the way the world usually seems to us before professional philosophers come in and muddy the water.

explain certain structural features of mind, language, and society, and then show how they all fit together. My aim, then, is to make a modest contribution to the Enlightenment vision. Introducing Philosophy This project may sound unduly ambitious, but in at least one important sense this is an "introductory

Mind, Language and Society

Mind & Language ranked fifth out of twenty for its percentage of women authors in a recent review of publishing in philosophy: "New data on the representation of women in philosophy journals: 2004-2015", Philosophical Studies, First Online: 23 May 2017. The article describes Mind & language as

having a review process that is not anonymous. We would like to add that, previously, anonymous reviewing was offered, whereas it is now a requirement of submission.

Mind & Language - Wiley Online Library

Product description. Disillusionment with psychology is leading more and more people to philosophy for clues about how to think about life. But most of us who try to grapple with concepts such as reality, truth, commonsense, consciousness and society lack the means, background and structure to discuss them with any confidence. After disentangling the major questions we face when we try and engage with the world, Searle then focuses on those forces that inhibit that engagement.
