Philosophy of Art: A Contemporary Introduction Routledge ...

The view that “art is imitation” is at least as old as the Greek philosopher Plato (c. 428–c. 347 bce), and, although not widely held today, its long and distinguished history is evidence of its continuing hold on human beings as an account of the distinctive function of art. A terminological point, however, is in order here: in the interests of clarity, artists should be spoken of as representing in their work the persons and things and scenes of the world but as imitating the work of ...

Philosophy of the Arts: An Introduction to Aesthetics ...

Philosophy and Art. Philosophy, science and art differ principally according to their subject-matter and also the means by which they reflect, transform and express it. In a certain sense, art, like philosophy, reflects reality in its relation to man, and depicts man, his spiritual world, and the relations between individuals in their interaction with the world.

Philosophy and Art - Marxists Internet Archive

Art as expression The view that “art is imitation (representation)” has not only been challenged, it has been moribund in at least some of the arts since the 19th century. It was subsequently replaced by the theory that art is expression. Instead of reflecting states of the external world, art is held to reflect the inner state of the artist.
