From Age to Age

The government has confirmed that the minimum age from which people can access their pension savings is to increase from 55 to 57 in 2028. Since April 2015, pension freedoms have given savers in defined contribution (DC) schemes greater access to their cash, allowing flexible withdrawals from the age of 55.. The plans to increase the threshold was first discussed in 2014, but the government ...

Which ...

In this system, age grows at the birthday. For example, the age of a person that has lived for 3 years and 11 months is 3 and the age will turn to 4 at his/her next birthday one month later. Most western countries use this age system. In some cultures, age is expressed by counting years with or without including the current year.
