"The Craft and Art of Bamboo" by Carol Stangler, available at Highland Woodworking, proves this sturdy, fast growing plant can make more than just a fancy fence or décor in a tiki-themed restaurant. While primarily associated with Asian craft, bamboo grows equally well in North as well as South and Central America, and has been used for everything from drinking vessels and

flower vases to counter tops and fishing boats!

The Craft and Art of Bamboo - Woodworking Blog

Bamboo is naturally durable, but you can make it stand up to the elements even better if you treat it with a sealant before installing it outside. This is an especially easy project if you purchase bamboo borders. This border comes pre-assembled with short, asymmetrical poles that are capped and attached to each other with heavy-duty galvanized ...
