Nmc Student Guidelines

Our standards for student supervision and assessment have been in effect since 28 January 2019.. They set out our expectations for the learning, support and supervision of students in the practice environment. As well as setting out how students are assessed for theory and practice learning.

Standards for student supervision and assessment

Student nurses must successfully complete an NMC-approved pre-registration programme in order to meet our standards for registered nurses and be able to join our register. Our standards framework. Our standards for pre-registration midwifery programmes follow the student journey and are grouped under the following five headings:

Standards for pre-registration nursing programmes - nmc.org.uk

We review and maintain standards for nursing and midwifery education and practice at both pre and post-registration levels. These standards are required to be met by all nursing and midwifery students on NMC approved programmes prior to entry to the register. This will ensure they are fit to practise at the point of registration. In response to the current ongoing Covid-19 situation, we've produced an emergency set of education programme standards to enable our Approved Education
