Write a letter to the principal proposing a very dangerous field trip by convincing him or her that it is important to your science education. Write a conversation between a tornado and a hurricane in which each tries to persuade the other that it is more dangerous.

Creative Writing Prompts for Science - Scientific Minds

Writing prompt about science fiction is not as easy as you think because the most graceful style of writing is not required in science fiction. You can entirely write your story in your own language. You can even come up with your own words and concepts and coin your own terms. This has been done by a number of science fiction authors already.

58 Science Fiction Writing Prompts | Mandy Wallace

You can use a journal prompt when you are feeling uninspired and stuck for ideas. Instead of focusing on the problem of not having an idea (which often makes the block even worse), a journal prompt is a simple statement... often only one sentence which can spark ideas, give you a new way to think and offer inspiration.

48 Writing Prompts for Middle School Kids

Some of these may be more along the lines of “speculative fiction” than science fiction. They include prompts about the environment, artificial intelligence, genetics, medicine, time travel, space exploration, alien races, and alternative histories. The real value of sci fi ideas, of course, is the way the author uses them to explore questions about society, humanity, and relationships.
