This chapter offers an overview of the central intolerance in Milton's writings from In Quintum Novembris to the antiprelatical tracts, Areopagitica, The Treatise of Civil Power, Paradise Lost, and Of True Religion, while not simply suggesting that Milton was fiercely anti-Catholic and keen to banish Catholicism from a godly realm.

Milton and Catholicism - Oxford Scholarship

Milton's regard for dynamism and ferment caused him to express a much higher opinion of the religious radicals of his day than was common, even among other proponents of toleration. Parliament's return to the practice of licensing had been prompted in part by the outpouring of bizarre, extravagant versions of Protestant theology that had greeted the lifting of crown censorship.
