## **Emerson Research Smartset Alarm Clock**

The alarm clock settings work similarly. The clock comes with two different alarm time-setting options. Set both for multiple wake-up times if needed. Press and hold the button labeled Alarm 1 to activate the alarm time adjustment. While holding the button, use the Tune up or Tune down control options. The changes work in the same manner as changing the general time.

## **Emerson Smartset Instructions | Techwalla**

If the power is interrupted for any reason, your clock will automatically reset itself once power is restored.

Additionally, the SmartSet computer accounts for Daylight Savings Time and will adjust itself automatically. No longer spend time setting and re-setting your clock, Emerson's SmartSet technology has you covered. View our products
