Creating Procedures for Engineering Document Control

early days of PCs, we couldn't find any off-the-shelf solution for document control, so we ended up programming a DOS-BASED document management program to run with AutoCAD 2.0 on a Novell network. The client loved the solution and we saw an opportunity. So began our 20 year journey with document management.

An Illustrated Guide to Engineering Document Management Sanity

All engineering documents and supporting documents are to include: • Document Status indicating the document version (issue and revision), date of version and the relevant authorities for preparation, review, endorsement and approval • Document Amendment Record which clearly identifies the current version (issue and revision), date of change and outline of the nature of amendment.
