Laws of the game and FA rules

The Concept of Law is a 1961 book by the legal philosopher HLA Hart and his most famous work. The Concept of Law presents Hart's theory of legal positivism—the view that laws are rules made by humans and that there is no inherent or necessary connection between law and morality—within the framework of analytic philosophy. Hart sought to provide a theory of descriptive sociology and analytical jurisprudence. The book addresses a number of traditional jurisprudential topics such as the ...

Human beings live in civilized societies that are based upon the concept of rule of law. This means that everyone in the society is equal under the eyes of the law and same rules and consequences apply on an individual irrespective of his social class and position. This is done deliberately to ensure peace and order in a society.
