Multinational Corporations And The Third

This chapter provides a preliminary assessment of the extent to which multinational corporations are enmeshed in the various armament strategies pursued by

developing countries. A final factor which accelerated the build-up of conventional weapons in many Third World countries during the 1970s was the rapid reorganization of international economic and military relationships between North and South.

Multinational Corporations And The Third World Rle ...

On this evidence, "over a third" seems to be a better estimate than "a third or more." If you were apply these ratios

– between a third and two fifths – to the total volume of world goods and services trade of about \$22.5 trillion in 2018 (according to the WTO) — you would get some \$7-9 trillion (or more) in cross-border trade that happens inside multinational corporations .

Over a third of world trade happens inside multinational ...
