Watching the Olympics : politics, power and representation ...

Sport and politics have long been linked, but the Olympic Games represent the most political sports event of all. The following article focuses on two of the most important aspects of the Olympics (and sports ‘mega-events’ in general) that students of politics and international relations could make a major contribution towards: the use of the Olympics by states to showcase the host nation ...

Sport Politics and the Olympics - Jonathan Grix, 2013

Few studies have offered such close scrutiny of the inner workings of Olympism's political and economic network, and, therefore, this book is indispensable reading for any student or researcher with an interest in the Olympics, sport's multiple impacts, or sporting mega-events. Watching the Olympics: Politics, Power and Representation (Paperback)
