Philosophy Who Needs It Ayn

This essay was originally published in The Ayn Rand Letter and later anthologized in *Philosophy: Who Needs It* (1982). It is based on a lecture delivered in March 1974 to the graduating class of the United States Military Academy at West Point. The audio lecture lasts 41 minutes, followed by a 27-minute Q&A.

Philosophy: Who Needs It

The root of a philosophy and whether it is life-affirming or life-negating, Rand maintains in *Philosophy: Who Needs It*, is its position on the primacy of existence vs. the primacy of consciousness. "The primacy of existence (of reality) is the axiom that existence exists, i.e., that the universe exists independent of consciousness (of any consciousness), that things are what they are, that they possess a specific nature, an identity.

They have never discovered the fact that the trouble comes from the three unanswered questions — and that there is only one science that can answer them: philosophy. Philosophy studies the fundamental nature of existence, of man, and of man's relationship to existence. As against the special sciences, which deal only with particular aspects, philosophy deals with those aspects of the universe which pertain to everything that exists.

Philosophy: Who Needs It? - by Ayn Rand

Ayn Rand was a principled philosopher in the tradition of Aristotle- who realized that human beings are ends in themselves and can only flourish by being free to act according to the dictates of reason and conscience. Ayn Rand isn't opposed to love, to friendship, to organized groups of people with a common purpose.

Philosophy: Who Needs It by Ayn Rand - Goodreads

Rand challenges the idea that philosophy belongs only in the ivory tower. Instead, she argues, whether we realize it or not, we all hold and act on philosophic ideas — and philosophy is a crucial, practical need of human life. This lesson, based on Rand's talk, is a great starting point for those new to philosophy or to Rand's ideas.
