If we fail to understand this, or forget it, I believe we run the risk of losing the blessing. ~ Kenneth E. Hagin, *The Midas Touch*, p. 165 This book's aim is to present a balanced view of prosperity. I don't think it fully accomplishes this, but it does present many insights from the Word of God God sends prosperity to bless us and meet our needs.

This classic is built on solid biblical truths that give credence to the fact that Jesus Christ was not poor but was made poor on the cross so that we might be rich. It gives a balanced view on what prosperity is and how we can access it as God's Children. It's a must read for every believer.
