In Canada, the entirety of the social provisions of government are  
 called "social programs" ( French: programmes sociaux ), rather  
 than "social welfare" as in European and British usage. "Welfare"  
 in Canada, like in the United States, colloquially refers to direct  
 payments to low-income individuals only, and not to healthcare  
 and education spending.

Health and welfare. Canadians are proud of their Medicare system, which was built on the idea that sophisticated health and medical treatment should be available to everyone. Although the system is publicly financed, services are delivered by the private sector. The federal government determines national standards, but provincial governments are responsible for providing, financing, and managing most health-related services.
