The Lady and the Monk

Four Seasons in Kyoto *Vintage*

When Pico Iyer decided to go to Kyoto and live in a monastery, he did so to learn about Zen Buddhism from the inside, to get to know Kyoto, one of the loveliest old cities in the world, and to find out something about Japanese culture today -- not the world of businessmen and production lines, but the traditional world of changing seasons and the silence of temples, of the images woven through literature, of the lunar Japan that still lives on behind the rising sun of geopolitical power. All this he did. And then he met Sachiko. Vivacious, attractive, thoroughly educated, speaking English enthusiastically if eccentrically, the wife of a Japanese "salaryman" who seldom left the office before 10 P.M., Sachiko was as conversant with tea ceremony and classical Japanese literature as with rock music, Goethe, and Vivaldi. With the lightness of touch that made *Video Night in Kathmandu* so captivating, Pico Iyer fashions from their relationship a marvelously ironic yet heartfelt book that is at once a portrait of cross-cultural infatuation -- and misunderstanding --

and a delightfully fresh way of seeing both the old Japan and the very new.

Autumn Light

Season of Fire and Farewells *Vintage*

Returning to his longtime home in Japan after his father-in-law's sudden death, Pico Iyer picks up the steadying patterns of his everyday rites: going to the post office and engaging in furious games of ping-pong every evening. But in a country whose calendar is marked with occasions honoring the dead, he comes to reflect on changelessness in ways that anyone can relate to: parents age, children scatter, and Iyer and his wife turn to whatever can sustain them as everything falls away. As the maple leaves begin to turn and the heat begins to soften, Iyer shows us a Japan we have seldom seen before, where the transparent and the mysterious are held in a delicate balance, and where autumn reminds us to take nothing for granted.

He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.

Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in

Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Think Like a Monk

Train Your Mind for Peace and Purpose Every Day *Simon & Schuster*

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find

happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in

the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

The Solace of Open Spaces

Essays *Open Road Media*

These transcendent, lyrical essays on the West announced Gretel Ehrlich as a major American writer—"Wyoming has found its Whitman" (Annie Dillard). Poet and filmmaker Gretel Ehrlich went to Wyoming in 1975 to make the first in a series of documentaries when her partner died. Ehrlich stayed on and found she couldn't leave. *The Solace of Open Spaces* is a chronicle of her first years on "the planet of Wyoming," a personal journey into a place, a feeling, and a way of life. Ehrlich captures both the otherworldly beauty and cruelty of the natural forces—the harsh wind, bitter cold, and swiftly changing seasons—in the remote reaches of the American West. She brings depth, tenderness, and humor to her portraits of the peculiar souls who also call it home: hermits and ranchers, rodeo cowboys and schoolteachers, dreamers and realists. Together, these essays form an evocative and vibrant tribute to the life Ehrlich chose and the geography she loves. Originally written as journal entries addressed to a friend, *The Solace of Open Spaces* is raw, meditative, electrifying, and uncommonly wise. In prose "as expansive as a Wyoming vista, as charged as a bolt of prairie lightning," Ehrlich explores the magical interplay between our interior lives and the world around us (Newsday).

When a giant panda named Stillwater moves into Michael, Addy, and Karl's neighborhood, he tells them the most amazing stories! To Addy, he tells a tale of a poor man who gives gifts to a robber. To Michael, he tells of a farmer who learns not to judge luck. And to Karl, he tells the tale of a monk who continues to carry the weight of a burden long past. With vibrant watercolors and elegant ink drawings, Jon J Muth--and Stillwater the bear--imaginatively present three classic Zen stories that abound with enlightenment and love.

The Art of Solitude *Yale University Press*

"Elegant and formally ingenious."--Geoff Wisner, *Wall Street Journal* In a time of social distancing and isolation, a meditation on the beauty of solitude from renowned Buddhist writer Stephen Batchelor When world renowned Buddhist writer Stephen Batchelor turned sixty, he took a sabbatical from his teaching and turned his attention to solitude, a practice integral to the meditative traditions he has long studied and taught. He aimed to venture more deeply into solitude, discovering its full extent and depth. This beautiful literary

collage documents his multifaceted explorations. Spending time in remote places, appreciating and making art, practicing meditation and participating in retreats, drinking peyote and ayahuasca, and training himself to keep an open, questioning mind have all contributed to Batchelor's ability to be simultaneously alone and at ease. Mixed in with his personal narrative are inspiring stories from solitude's devoted practitioners, from the Buddha to Montaigne, from Vermeer to Agnes Martin. In a hyperconnected world that is at the same time plagued by social isolation, this book shows how to enjoy the inescapable solitude that is at the heart of human life.

The Global Soul

Jet Lag, Shopping Malls, and the Search for Home *Vintage*

Pico Iyer has for many years described with keen perception and exacting wit the shifting textures of faraway lands anchored on a spinning globe that mixes and matches East and West. Now he casts a philosophical eye upon this curious state of floatingness. In the transnational village that our world has become, travel and technology fuel each other and us. As Iyer points out, "everywhere is so made up of everywhere else," and our very souls have been put into circulation. Yet even global beings need a home. Using his own multicultural upbringing (Indian, American, British) as a point of departure, Iyer sets out on a quest, both physical and psychological, to find what remains constant in a world gone mobile. He begins in Los Angeles International Airport, where town life — shops, services, sociability — is available without a town, and in Hong Kong, where

people actually live in self-contained hotels. He moves on to Toronto, which has been given new life and a new literature by its immigrant population, and to Atlanta, where the Olympic Village inadvertently commemorates the corporate universalism that is the Olympics' secret face. And, finally, he returns to England, where the effects of empire-as-global-village are still being sorted out, and to Japan, where in the midst of alien surfaces, Iyer unexpectedly finds a home. "As a guide to far-flung places, Pico Iyer can hardly be surpassed," *The New Yorker* has written. In *The Global Soul*, he extends the meaning of far-flung to places within and all around us.

The relics themselves are the political symbol of the entire kingdom and their disappearance threatens to disrupt its continued peace and stability. On a visit to the Abbey of Imleach, Sister Fidelma, sister to Colgu, the current King of Muman, and an advocate of the Brehon Courts, is asked to investigate. With the help of her friend and traveling companion, the Saxon monk Brother Eadulf, Fidelma begins to slowly unravel the mystery behind the twin disappearances. But there are dark

forces at work, which will stop at nothing - even murder - to achieve their aims.
