Odes And Epodes Of Horace

The Odes (Latin: Carmina) are a collection in four books of Latin lyric poems by Horace. The Horatian ode format and style has been emulated since by other poets. Books 1 to 3 were published in 23 BC. A fourth book, consisting of 15 poems, was published in 13 BC. The Odes were developed as a conscious imitation of the short lyric poetry of Greek originals – Pindar, Sappho and Alcaeus are some of Horace’s models.

The Epodes are a collection of iambic poems written by the Roman poet Horace. They were published in 30 BC and form part of his early work alongside the Satires. Following the model of the Greek poets Archilochus and Hipponax, the Epodes largely fall into the genre of blame poetry, which seeks to discredit and humiliate its targets. The 17 poems of the Epodes cover a variety of topics, including politics, magic, eroticism and food. A product of the turbulent final years of the Roman Republic, th

The Odes of Horace, in particular, will, I think, strike a reader who comes back to them after reading other books, as distinguished by a simplicity,

monotony, and almost poverty of sentiment, and as depending for the charm of their external form not so much on novel and ingenious images as on musical words aptly chosen and aptly combined.
