After The Cure Deirdre Gould

So, if a cure was found for Zombies, what would happen after? I think that is a really good premise for a book. Unfortunately in After the Cure, the author decided to concentrate more on the romance side of the story. Now I know that this book is part of a series, so maybe the actual after the cure idea is explored in more detail in the later ...

After the Cure by Deirdre Gould - Free eBook

This is the absolute best of Ms Gould's After the Cure series so far, comparable only to her exquisitely heart-rending short story, Curing Khang Yeo. It introduces a new set of complex characters, good people with flaws, flawed people with good, the purely evil and the good who have succumbed to evil, and brings them together gradually with beloved characters you already know.

Deirdre Gould's After The Cure series is amazing! All three of the books in the series so far are told during the same period of time from different POV's. Deirdre Gould's novel, After the Cure, is a new and creative take on the Zombie Apocalypse. I loved reading this book and I can't wait to read the others in the series! Originally posted on After the Cure

After the Cure by Deirdre Gould, Paperback | Barnes & Noble®

I picked up After the Cure on Kindle when it was free because I can't resist a good zombie novel! And this one had an entirely different approach to it which I found really interesting. As you can tell from the title, a curse for the strain of virus was created and used on those affects, turning the zombies back into functional (most of the time) human beings.
